Central Rocky Mountain Region
March 14, 2015**

NAME OF COMMITTEE: Governance Review Task Force

NAME OF PERSON REPORTING: Doug Goodwin, Chair

NARRATIVE:

We have been meeting close to once a month via mega meeting. We conducted a survey in regards to the Future Story with 17 congregations responding. We have also talked about essential functions of Regional Ministry. We will be meeting the day before your meeting to work out more specific details of governance issues, and, hopefully, be able to give you a tentative report at your meeting Saturday. What that report will be? We shall see. . .
