Interim Executive Regional Minister  
Central Rocky Mountain Region,  
Christian Church ( DOC ) 2950 Tennyson St,  
Suite 300, Denver Colorado 80212

Dear Mr. Phelps

Please accept this letter as my request for Pacific Islanders Fellowship in Denver, Colorado as a new Church and be recognized with and stand with the Disciples of Christ churches in the region as well as the new emerging church.

Pacific Islanders Fellowship began its mission on the Month of September, 20014. It is evolved into 30 in numbers and continued to be strengthened into its mission. This church continues to do it research and realize the scattered of the Pacific Islanders here in Colorado. It also began with the most in numbers known as the Chuukese, Micronesian.

Our leaders, in this new church, had been continuing attending the leadership training offered by HOPE Partnership in Indiana, and eventually the last convention center in Ohio. Although, there were some local training that we have been involved with.

Thank you for your support and confidence in this" journey together" we can make the difference in the world. Looking forward in the light of justice

May his blessing be with you

In His Service
