# Acknowledgment & Assumption of Risks and Waiver of Claims

Camper's Name (Please print) \_\_\_\_\_

*Please read carefully before signing. This document includes a release of liability and waiver of certain legal rights.*

In consideration of my child's participation in camping activities sponsored by the Central Rocky Mountain Region (Disciples of Christ) and held at the La Foret Conference and Retreat Center:

## **Acknowledgement of Risks**

- I understand that the CRMR and La Foret have taken safety precautions to reduce the risk of Covid-19 and other communicable diseases to campers or staff but that it is impossible to completely eliminate all risk of exposure to illnesses.
- I understand that there are numerous risks associated with participation in any camping activities, including such things as hiking, swimming, field games, crafts, campfires, and other camp activities, and that many, but not all, of these risks are inherent in these and other activities. These risks, which contribute to the unique character and desirability of the activities involved, may pose the possibility of severe injury, illness, or death. I further understand that most of the activities involved in the camping experience at La Foret will take place in an outdoor environment, and the Central Rocky Mountain Region (Disciples of Christ) and La Foret staff have taken all reasonable measures to insure the safety and well-being of all participants, including, but not limited to:
  - insuring that all instructors for activities given at La Foret meet all the requirements (Local, State or Federal) for that position
  - all volunteers at La Foret have been recommended by and approved by their local church and have passed a background check.
  - all obvious and known hazards have been removed from the actual camping areas

I also understand that many of the risks inherent in the camping experience cannot be eliminated, altered, or controlled. Some, but not all, of the specific risks include:

- Weather conditions may change rapidly and unpredictably and may directly cause injury, i.e.: severe rainstorms, hailstorms, sunburn, lightning strikes, cold temperatures, or by acting on other factors, i.e.: performance of equipment may be impaired by weather conditions.
- Equipment used in activities may break, fail, or malfunction, despite reasonable maintenance and use, and may inflict injuries, even when used as intended. Persons using equipment may lose control of such equipment and cause injury to themselves and/or others.
- Most activities take place in a natural environment where unexpected, unseen, and unknown/unmarked objects and conditions create risk of injury, i.e.: falling, tripping, slipping, insect or animal contact, unstable surface conditions, falling rocks and objects, potentially harmful vegetation.
- Counselors and guides use their best judgment in determining camper's ability to participate in camp activities. However, campers may have unknown conditions which would limit their participation in certain activities or increase camper's risks of injury. **It is imperative that parents notify the event staff, in writing, of any known limitations.**
- Motor vehicle accidents, not the direct fault of La Foret or the CRMR, may occur in the course of transporting participants to and from camp.
- Some camping activities may have inherent risks, due to the nature of the camping experience, and there may be other risks which cannot be anticipated.

I acknowledge and assume the risks involved in any of these activities and for any damage, illness, injury, or death resulting from such risks, for myself and my child, with the exception of any unapproved activities I have notified the directors in writing about. There are no physical, emotional, or mental problems or limitations associated with my child's participation in camp activities, except as disclosed by me/us in writing to the Central Rocky Mountain Region (Disciples of Christ) and to the La Foret Conference and Retreat Center.

## **Release, Waiver of Liability, and Indemnification:**

I, on behalf of myself and/or my child, absent gross negligence or willful misconduct hereby release and waive any claim of liability against the Central Rocky Mountain Region (Disciples of Christ) and the La Foret Conference and Retreat Center and its employees and agents with respect to any injury, illness, damage, or death, occurring to me or my child while he/she participates in any and all camp/retreats programs and activities.

## **Governing Law**

I agree that this document, and all other aspects of my relationship and my child's relationship with the Central Rocky Mountain Region (Disciples of Christ) and its agents and employees, shall be governed by the laws of the State of Colorado. Further, I agree that any legal proceedings concerning such relationship shall be filed exclusively in the State of Colorado.

**I have read and understand the above and agree to be bound by the terms of this document.**
